

Высшие учебные заведения Дании делятся на университеты, университетские колледжи, академии высшего профессионального образования.

Университеты или учебные заведения университетского уровня предлагают бакалаврские, магистерские и докторские исследовательские программы.

Университетские колледжи (Professionshøjskoler) предлагают 3-4.5 годичные программы базового высшего образования (программы профессионального бакалавриата).

Академии высшего профессионального образования (Erhvervsakademier) предлагают 2-2.5 годичные профессиональные программы, а также программы бакалавриата совместно с университетскими колледжами.
